

Post Secondary Student Support Program for 2013-2014

The Post Secondary Program aims at providing the academic support, financial assistance and community liaison for Pikwakanagan Post Secondary Students. Assistance is provided in the form of tuition, textbooks, mandatory program equipment or supplies and living allowances for those applicants who meet the basic eligibility criteria.

Annette Sarazin, who is the Post Secondary Counsellor, provides services to post secondary students across Canada. Her role is to implement policies and procedures as they apply to program eligibility, and as well as maintain contact with institutions to facilitate student learning, student retention and student success.
